

## **Sprint 3 Plan, Share Yourself Artist , Web Team, End Date: 02/17 , Revision Date : 02/10**

**Goal:** Fix the existing bugs with the art upload process and the right navigation bar.

### **Task Listing**

#### **User Story 1**

*“As a user, I'd like one submission pathway, so it is less confusing to submit my art piece”*

Task 1: Figure out an alternative solution to using two pathways. (7)

Task 2: Implement the alternative solution (6)

Total Hours for User Story 1: 10 hours

Total Story Points: 13

#### **User Story 2**

*“As a user, I'd like to see the sidebar on the right updated correctly, so then I can see who the 12 more recent submissions were”*

Task 1: Learn Vue.js and Vuex (5)

Task 2: Learn Firebase esp. Firestore/ Realtime Database. (3)

Task 3: Apply previous learned knowledge to existing codebase. (3)

Total Hours for User Story 2: 8 hours

Total Story Points: 11

#### **User Story 3**

*“As a user, I'd like to be able to use my premium credits, so then I can pay to submit my art piece”*

Task 1: Research the submission process. (3)

Task 2: Find in our database the correct format for premium credits per user. (4)

Task 3: Add functionality to manipulating premium credits. (7)

Total Hours for User Story 3: 12 hours

Total Story Points: 14

#### **User Story 4**

*“As a user, I would like to immediately see my read/unread responses update when I click “mark as read”, so then I don’t have to click the refresh button every time.”*

Task 1: Add spinner and refresh within component (5)

Total Hours for User Story 4: 3 hours

Total Story Points: 4

### **User Story 5**

*“As a business user, I would like to see submitted art pieces categorized, so then I can better manage my responses to these art pieces.”*

Task 1: Figure out why only the unreplied button works. (6)

Task 2: Inspect code to see how each art piece is categorized as unreplied/replied/all (4)

Task 3: Apply categorization by making sure art pieces belong in the right section. (5)

Total Hours for User Story 5: 6 hours

Total Story Points: 14

### **User Story 6**

*“As a business, I would not like to see freebie/premium credits, because I have no need for them”*

Task 1: Learn pre-existing code for the left hand side bar. (3)

Task 2: Implement changes so that only artists see freebit credits. (3)

Total Hours for User Story 6: 6 hours

Total Story Points: 7

### **User Story 7**

*“As a business, I would like to see all the submissions that I’ve received, so then I can promptly respond”*

Task 1: Take the review request from the database and add it to the submissions page . (3)

Task 2: Allow more submissions to be shown by implementing a scroll view. (7)

Task 3: Make sure that the description for the art is showing up. (3)

Total Hours for User Story 6: 7 hours

Total Story Points: 7

## **Team Roles**

Kavan Samra: Developer, Scrum Master

Yasunori Iwayanagi: Developer, Product Owner

Patrick Toral: Developer

Michael Hsieh: Developer

Darren He: Developer

Chris Hahn: Developer

## **Initial Task Assignment**

Yasunori Iwayanagi:

- User Story: 1,2

Patrick Toral:

- User Story: 3

Michael Hsieh:

- User Story: 4, 7

Chris Hahn:

- User Story: 2, 6

Darren He:

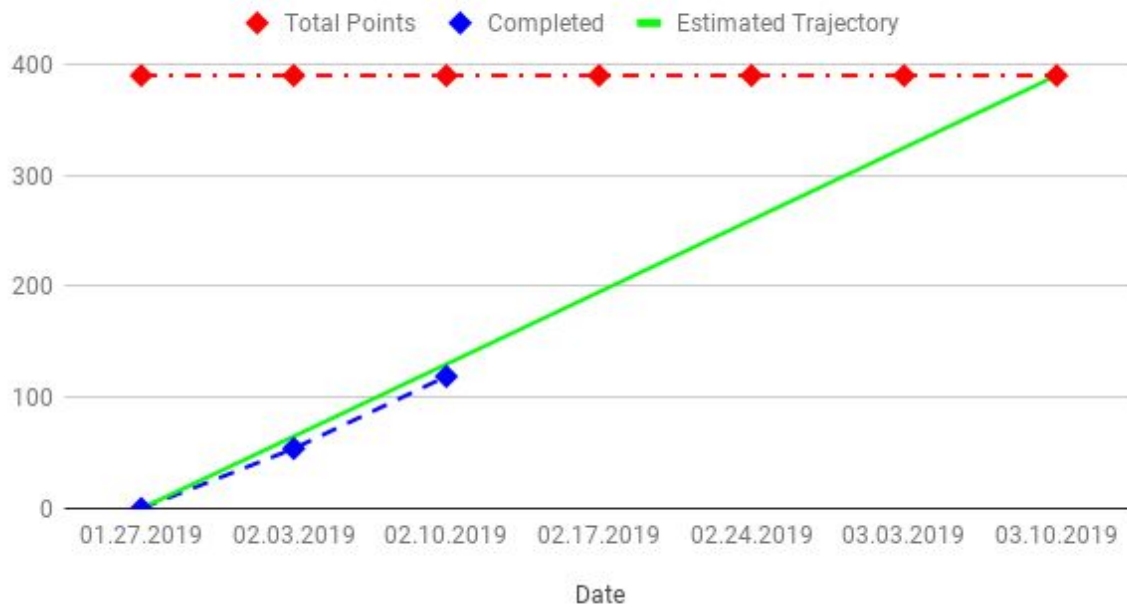

- User Story: 5

Kavan Samra

- User Story 3, 7

## **Burnup Chart**

## Sprint 3 BurnDown Chart

## Initial Scrum Board

The screenshot shows a Trello Scrum Board for 'Sprint 3 Plan SYA WEB W19'. The board is organized into four columns: 'TO DO', 'In Progress', 'Testing', and 'Done'. The 'TO DO' column contains seven user stories. The 'In Progress' column contains one user story. The 'Testing' and 'Done' columns are currently empty. The right sidebar shows the 'Menu' with options like 'Change Background', 'Filter Cards', 'Stickers', and 'Power-Ups'. The 'Activity' section on the right shows recent updates to the board.

**TO DO**

- User Story 1: "As a user, I'd like one submission pathway, so it's less confusing to submit my art piece"
- User Story 2: "As a user, I'd like to see the sidebar on the right updated correctly, so then I can see who the 12 more recent submissions were"
- User Story 3: "As a user, I'd like to be able to use my premium credits, so then I can pay to submit my art piece"
- User Story 4 User Story 4: "As a user, I would like to immediately see my read/unread responses update when I click 'mark as read', so then I don't have to click the refresh button every time."
- User Story 5: "As a business user, I would like to see submitted art pieces categorized, so then I can better manage my responses to these art pieces."
- User Story 7: "As a business, I would like to see all the submissions that I've received, so then I can promptly respond"

**In Progress**

- User Story 6: "As a business, I would not like to see freebie/premium credits, because I have no need for them"

**Testing**

**Done**

**Activity**

- Michael Hsieh joined User Story 7: "As a business, I would like to see all the submissions that I've received, so then I can promptly respond."
- Michael Hsieh added User Story 7: "As a business, I would like to see all the submissions that I've received, so then I can promptly respond."
- Michael Hsieh joined User Story 4 User Story 4: "As a user, I would like to immediately see my read/unread responses update when I click 'mark as read', so then I don't have to click the refresh button every time."
- Michael Hsieh added User Story 4 User Story 4: "As a user, I would like to immediately see my read/unread responses update when I click 'mark as read', so then I don't have to click the refresh button every time."
