

Sprint 5 Plan, Share Yourself Artist , Web Team, End Date: 03/03 , Revision Date : 02/24

Goal: Fix UI interface, refine upload process, implement recommendation system

Task Listing

User Story 1

“As a user, I’d like to have three tabs: my submissions, recommended, and recently responded to submissions, so that I can keep track of my submissions and also inspect other artists works”

Task 1: Figure out algorithm to display recommendations to the user (7)

Task 2: Update fields in database and pull necessary data (5)

Task 3: Start UI to display recommended list to user (7)

Task 4: Create a refresh button, reload list of recently submitted and responded to artists. (3)

Task 5: Check that my art tab brings up artist dashboard and filters like normal (1)

Total hours for User Story 1: 21 hours

Total Story Points: 23

User Story 2

“As a developer, I’d like to start on fixing my components responsiveness, so that users can enjoy our website with any device ”

Task 1: Organize component file to be worked with , with proper indentations. (4)

Task 2: Implement vuetify grid , text, and spacing styles (5)

Task 3: Test on multiple devices through the Chrome Browser (2)

Total Hours for User Story 4: 12 hours

Total Story Points: 14

User Story 3

“As a user, I would like there to be a delete button in the reviews page for users who are artists, so that I can get rid of review I do not want to see.”

Task 1: Review delete function in artist_dashboard (3)

Task 2: Create a delete variable in the database for reviewed responses (4)

Task 3: Implement the button UI (2)

Task 4: Implement button functionality to set boolean variable to false. (4)

Total Hours for User Story 4: 10 hours

Total Story Points: 13

User Story 4

“As a user, I’d like to have my image resized if it’s too big, so that I can still upload my art to the website.”

Task 1: Look at Javascript functions to resize images, (5)

Task 2: Resize the image before it’s uploaded (7)

Total Hours for User Story 6: 5 hours

Total Story Points: 6

User Story 5

“As a user, I would like to not have to type in my name when submitting an art piece so that I can save time by not giving out information that the website already has”

Task 1: Read existing code on how the name is displayed (3)

Task 2: Take out div or make it invisible (1)

Total Hours for User Story 6: 1 hour

Total Story Points: 4

User Story 6

“As a user, I’d like to have a bigger preview image, so that it’s more convenient and consistent when I am uploading an image”

Task 1: Message Scott for resize code or what he specifically is looking for, meaning dimensions. (3)

Task 2: Resize the image to those specific dimensions, and also change the resolution if the preview size is bigger than the actual image (5)

Total Hours for User Story 6: 7 hours

Total Story Points: 3

User Story 7

“As a user, I’d like to see a spinner when uploading a profile picture, so that I know my upload process is running.”

Task 1: Check Vuetify Spinner documentation (2)

Task 2: Implement spinner to wait for profile to be uploaded and if successful, disappear. (3)

Total Hours for User Story 6: 2 hours

Total Story Points: 5

User Story 8

“As a user, I’d like a forgot my password option, so that I can recover my account.”

Task 1: Check existing forgot password functionality (2)

Task 2: Check why emails are not being sent(4)

Total Hours for User Story 6: 2 hours

Total Story Points: 6

User Story 9

“As a user, I’d like a delete button when I use my categories filter on my artist dashboard, so that I can delete an art piece after filtering my art pieces.”

Task 1: Check difference between arts vs def array of arts in artisth_dashboard.vue (4)

Task 2: Combine two functions into one(4)

Total Hours for User Story 6: 2 hours

Total Story Points: 8

Total story points: 80

Team Roles

Kavan Samra: Developer, Scrum Master

Yasunori Iwayanagi: Developer, Product Owner

Patrick Toral: Developer

Michael Hsieh: Developer

Darren He: Developer

Chris Hahn: Developer

Initial Task Assignment

Yasunori Iwayanagi:

- User Story: 1,2,9

Patrick Toral:

- User Story: 3, 5

Michael Hsieh:

- User Story: 4,6,9

Chris Hahn:

- User Story: 3, 7

Darren He:

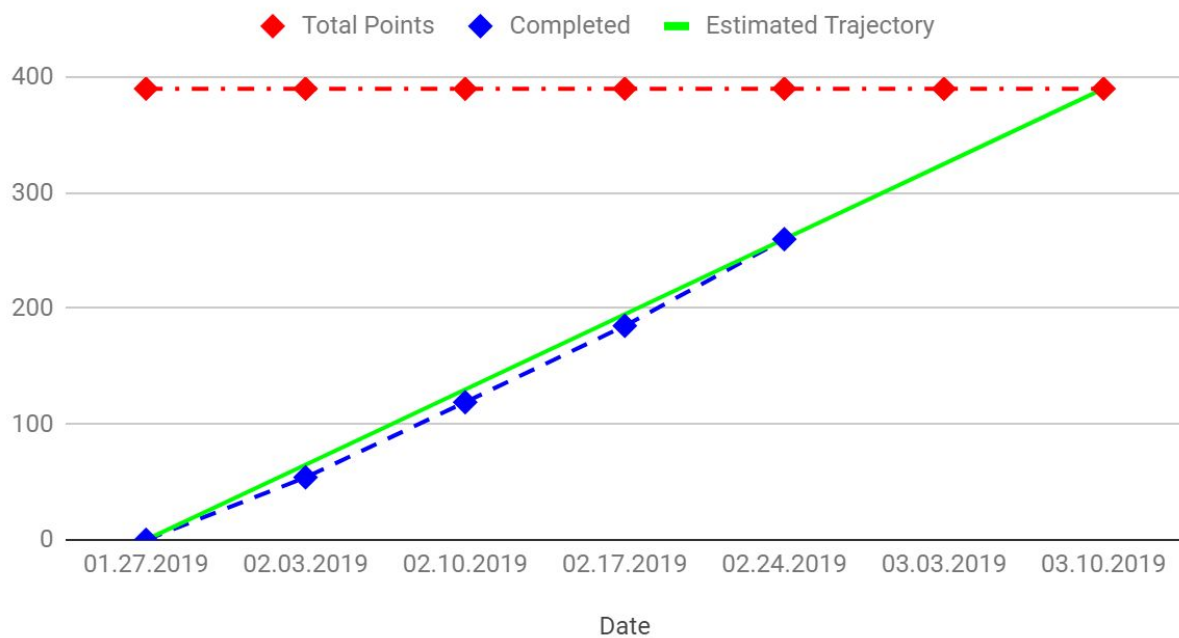

- User Story: 1, 7, 8

Kavan Samra

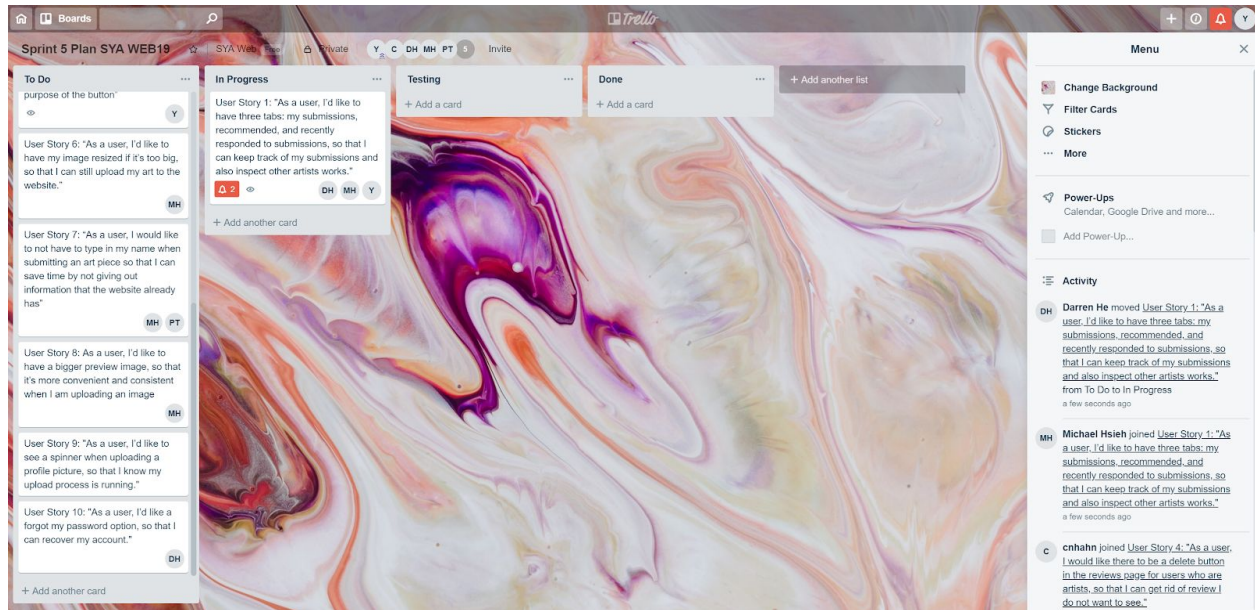

- User Story 1, 4
