Sprint 6 Plan, Share Yourself Artist , Web Team, End Date: 03/10 , Revision Date : 03/03

Goal: Fix UI interface, refine upload process, implement recommendation system

Task Listing

User Story 1

"As a developer, I'd like to improve the existing recommendation system for artists, so that the list more accurately displays the right artists."

Task 1: Implement CRON Job to update the list of top 10 recommended artists for a set amount of time (every 6 hours?) (8)
Task 2: This has to be done for all 11 categories. (3)
Task 3: Integrate additional profile information for it to be displayed accurately. (4)
Task 4: Modify the weights so that a recommendation is more accurate.(3)
Task 5: Route users to the profile page of the artist that they choose. (3)
Total hours for User Story 1: 25 hours
Total Story Points: 21

User Story 2

"As a developer, I'd like to start on fixing my components responsiveness, so that users can enjoy our website with any device "

Task 1: Organize component file to be worked with , with proper indentations. (4)
Task 2: Implement vuetify grid, text, and spacing styles (5)
Task 3: Test on multiple devices through the Chrome Browser (2)

Total Hours for User Story 4: 12 hours
Total Story Points: 14

User Story 3

"As a user, I'd like to be able to cancel an upload profile image process and have the spinner update accordingly, so that I can choose a new file to upload"

Task 1: Review upload profile function in artist_profile (3)
Task 2: Implement some functionality to trigger the spinner to stop. (5)
Task 3: Test on multiple devices through the Chrome Browser(2)

Total Hours for User Story 4: 10 hours
Total Story Points: 13

User Story 4

"As a user, I'd like to have my image resized if it's too big, so that I can still upload my art to the website."

Task 1: Look at Cloud function that resizes image after upload = fn->idx.js->resize File, (5)
Task 2: Resize the image before it's uploaded using that function, on file picked and submit (7)

Total Hours for User Story 6: 8 hours
Total Story Points: 12

User Story 5

"As a user, I'd like to click the delete button and mark as read button once, so that I won't have to do it twice and will be more convenient"

Task 1: Find where in the code the bug is (5)
Task 2: Either fix it or design a new way to have the delete and mark as read functionality (8)

Total Hours for User Story 6: 10 hours
Total Story Points: 13

Total story points : 73

Team Roles

Kavan Samra: Developer, Scrum Master
Yasunori Iwayanagi: Developer, Product Owner
Patrick Toral: Developer
Michael Hsieh: Developer
Darren He: Developer
Chris Hahn: Developer

Initial Task Assignment

Yasunori Iwayanagi:
 ● User Story: 1,2
Patrick Toral:
 ● User Story: 2, 5

Michael Hsieh:
- User Story: 4, 2

Chris Hahn:
- User Story: 2, 3
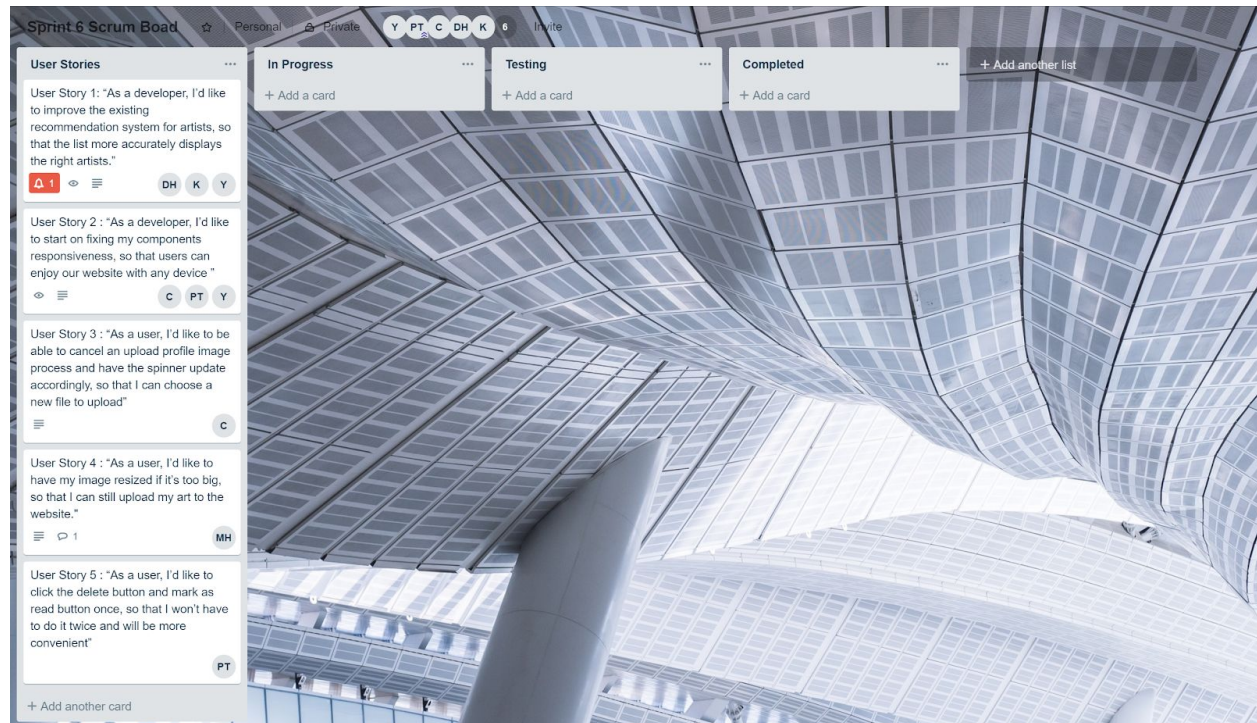

Darren He:
- User Story: 1

Kavan Samra
- User Story 1
